

DISCIPLES IN MISSION

Disciples in Mission helps parishioners discover the joy of living their faith fully!

Disciples in Mission is a parish-wide, faith-filled experience that integrates personal prayer, the Lenten Sunday liturgies, small faith-sharing groups, catechesis, family activities, teen groups, and pastoral reflection with parish experience that has two parts:

Lent – Lectionary based resources provide spiritual renewal and faith formation for:

- The Sunday Mass community
- Adults in small groups
- Families with young children
- Teens

Easter – A parish-wide Reflection Day during the Easter season fosters parish renewal around the three goals of the U.S. Bishops' document, *Go and Make Disciples, A National Plan and Strategy for Catholic Evangelization in the United States*. The Easter season concludes with a Pentecost novena to celebrate the gifts of the Holy Spirit in the missionary life of the parish.

Come, join us during the 2010 Lenten season!

Please come back to this site or contact us at the parish office.
