CLASSES BEGIN SEPTEMBER 14TH

St. Joseph Church offers a bright, warm, family friendly environment for children from pre-school thru 5th grade. Our Catechists are fully certified and have decades of combined teaching experience.

In our newly updated facility, St. Joseph offers The Catechesis of the Good Shepherd - a Mass centered approach to learning our faith. This program offers a “hands on” approach that enhances the young child's learning, it allows the catechist to cater to the needs of our children in smaller, personal sized classrooms.

We believe that the family is the first educator in the Catholic faith and that we are here to partner with parents in this journey. This is accomplished by various family activities and family education groups.

Please call for an appointment to stop by or to register for classes beginning September 14th 2009
