

Religious Education Potlucks

RELIGIOUS EDUCATION POTLUCKS

The R. E. staff and parents have found that a good way to get together is to share a meal. For this reason, two potlucks are regularly planned: one, at the opening of classes the Monday after Labor Day, and the other when classes resume after the Christmas break. Because they are so popular with our families, the R. E. staff has decided to open these to all parishioners. A short educational program is part of the evening which begins with the meal at 6:30 p.m. You can connect to our R. E. site calendar or here for more information as the new school year approaches.
